1-12

FEATURES

Everything students need, placed with intention

EasyCBSE keeps the study surface simple while making the important learning actions easy to reach.

AI

AI-guided study flow

Move from textbook chapters to revision priorities with a cleaner, more focused learning path.

PDF

Instant textbook access

Browse every class, subject, and chapter without digging through scattered resources.

PYQ

Exam-first resources

Keep NCERT books, sample practice, and board-focused preparation in one reliable place.

WHY EASYCBSE

The platform keeps NCERT at the center, then layers better navigation, cleaner spacing, and AI-ready learning moments around it.

01 Built around the CBSE learning path from Class 1 to 12.

02 Clear subject navigation that helps students find the right chapter faster.

03 Free textbook PDFs with routes preserved for every class and subject.

04 Simple, distraction-free interface designed for daily study sessions.

AI FEATURES

Designed for smarter study.

The AI layer is presented as a learning assistant, keeping the interface useful and grounded for students.

Doubt support

Prepare explanations around the exact chapter a student is studying.

Revision planning

Turn long syllabi into manageable subject and chapter checkpoints.

Smart practice

Connect textbooks, notes, and board-style practice into one flow.

CLASSES

Select your class and subject.

Choose a class to browse all available NCERT subjects and chapter PDFs.
